# **HIGHLAND** COMMUNITY COLLEGE

Thank you for your interest in the LPN to ADN Completion Program. Admission to this program is highly competitive - up to 30 students are admitted annually.

First, apply for acceptance as a student at Highland Community College. Then, submit an application to the nursing program. All candidates, even those with prerequisite courses in progress, should apply for admission to the LPN to RN Completion Program as soon as possible.

The LPN to RN Completion Program takes place during the spring and summer semesters. These courses contain lecture, lab and/or clinical components. Upon successful completion of the program, students are awarded an Associates of Applied Science Degree in Nursing. Upon graduation, the student is eligible to take the NCLEX-RN and apply for licensure as a Registered Nurse. Admission to the program is not a guarantee of completion and program completion is not a guarantee of licensure.

**The following are due before the application deadline of August 1 each year:**

ATI TEAS Test: You **MUST** achieve a minimum score of **58.7%** to advance to the interview stage. The TEAS score must be **current (less than three years old)** from the application deadline). To schedule an appointment, call Jerry Lewman at 785-442-6180 ext. 126233.

TRANSCRIPTS: **Official transcripts** must be mailed directly from the school to Highland Community College Nursing Department in a SEALED envelope. Copies and unofficial (student copies) of transcripts are not accepted. Our address: 1501 W. Riley, Atchison, KS 66002. Transcripts may be faxed directly from the school and will be accepted: Fax to the attention of the Nursing Department 785-442-6239.

Required paper work, COPY OF YOUR PRACTICAL NURSING LICENSE may be scanned and emailed to [nursing@highlandcc.edu](mailto:nursing@highlandcc.edu) or faxed to the attention of the Nursing Department 785-442-6239.

PREREQUISITE COURSES: May be in progress at the time of application. All prerequisites must be completed with a grade of "C" or higher before you begin the program. To enroll in prerequisite course, go to [www.highlandcc.edu](http://www.highlandcc.edu) or contact admissions at 785-442-6180. .

## LPN to RN Completion Program Selection

### **APPLICANT'S FILE MUST CONTAIN THE FOLLOWING BY August 1**

1. **Highland Community College online application** with correct major/program and semester
2. **Program application** (found within this packet)
3. Copy of active, unencumbered **LPN license**
4. **Official High School/GED transcript**
5. **Official Practical Nursing program transcript**
6. **Official transcripts from ALL colleges attended**
7. **ATI TEAS test score:** Must have a minimum composite score of 58.7%; higher scores make your application file more competitive. Testing is available by appointment only; bring photo ID, arrive 15 minutes prior to start time, and plan up to 3 ½ hours. The fee is \$80.00, payable by cash, check, or card. There is a study guide available for purchase online through ATI or Amazon. Call Jerry Lewman at 785-442-6233 or email [jl Lewman@highlandcc.edu](mailto:jl Lewman@highlandcc.edu) to schedule.
8. If applicable, **proof of enrollment** in prerequisite courses that are in progress at time of application deadline

When the applicant's file is complete (1-8 above), it is evaluated by the Nursing Department. Qualified applicants will be scheduled for a personal interview with the Director of Nursing and program faculty. A point system is used to determine the best qualified applicants. Students accepted for the program must attend a mandatory orientation meeting during which they will be directed as to how to obtain a criminal background check and a drug screen. Admission to the program is contingent upon successfully completing any pre-requisite courses that may be in progress, meeting health requirements and completing the background checks and drug/alcohol screenings. Students must "pass" the criminal background check and drug/alcohol-screen prior to enrollment into the Highland Community College Nursing Program. Students should also be aware that additional random drug/alcohol screens will be conducted throughout the program.

## REQUIRED IMMUNIZATIONS/SCREENINGS

The Highland Community College Nursing Program requires documentation from a provider of healthcare (physician's office, health department, lab, hospital, employer etc.) for the following immunizations before starting the nursing program.

- **Hepatitis B** – BOTH of the following are required: 3 vaccinations AND positive antibody titer\* (lab report required). Series must be started by July 1 to have 2 doses completed by the first day of the nursing program.
- **Influenza** – An annual vaccination given between October 1 – December 31.
- **MMR** – Measles, Mumps, Rubella – One of the following is required: 2 vaccinations OR positive antibody titer for all 3 components (lab report required).
- **TB Skin Test - TST (Mantoux or PPD)** - One of the following is required after May 15 of the year the student enters the Practical Nursing program (August 15 for the LPN to RN program):
  - Negative two-step TB skin test procedure within the last year; second test must have been read within 48-72 hours after the first was read
  - Two (2) negative TB skin tests in the past two years
  - Negative QuantiFERON Gold Blood Test (IGRA)
  - *If you have a positive TB test contact the Nursing Department immediately for further requirements.* You may need to get a QuantiFERON Gold Blood Test (IGRA) and a chest X-ray. If the chest X-ray is positive, you must complete medical treatment and be released to attend the nursing program.
- **Tetanus, Diphtheria & Pertussis** - 1 Tdap vaccination as an adult since 2005; then Td booster within the last 10 years
- **Varicella** – One of the following is required: 2 vaccinations OR positive antibody titer (lab report required)
- **COVID-19** – Many facilities that the HCC Nursing Department uses for clinical sites do require the COVID-19 vaccine. If you are not fully vaccinated and alternate clinical sites are unavailable, you will not be able to attend clinical. This will affect your grade in those courses. Failure to complete any courses with the minimum required grade will be cause for dismissal from the program.

Discuss with your physician any other immunizations which maybe in your best interest such as pneumonia, Hepatitis A, human papilloma virus (Gardasil) etc.

\*A titer is a test of blood that indicates whether or not you are immune to a disease. Titers can be done for hepatitis B, MMR and varicella if you are unsure of your immunization status.

Students **must** maintain personal health insurance coverage for the duration of the program. Please provide proof of insurance.

## Items You Are Required To Purchase:

	Approximate Price	Details
<b>Physical Exam</b>	Varies	Forms found in Orientation Packet
<b>Clinical Student</b>	\$135	Background check, drug screen panel, etc. More information provided at orientation <b>AFTER</b> candidates are accepted
<b>Hepatitis B Vaccine (series of 3)</b>	\$45	Can be obtained at the local Health Department (616 Commercial St in Atchison, KS, 913-367-5152)
<b>Immunizations Or Titers</b>	Varies	All required immunizations are listed on the <b>Required Immunizations</b> page
<b>Wrist Watch</b>	\$15-\$20	Large face with a second hand, water proof suggested. <b>NO DIGITAL WATCHES</b>
<b>Laptop</b>	Varies	No Chromebooks or Tablets (except Surface Pros)
<b>Scrubs</b>	Approximately \$45.00 per set	Scrub tops and pants must be purchased through the school
<b>Shoes</b>	Varies	<b>MOSTLY WHITE</b> or <b>MOSTLY BLACK</b> , flat heel, with good support. <b>MUST HAVE BACKS</b> no clogs or mules allowed.
<b>RN License Application</b>	Required in June \$125 for Kansas	Application for Kansas Registered Nursing License. Must be a <b>check or money order only</b> made out to <b>KSBN</b> .
<b>Background Check for the State of Kansas</b>	Required in June \$48	Required for Kansas Registered Nursing License. Must be a <b>check or money order only</b> made out to <b>KSBN</b> .
<b>NCLEX-RN</b>	Required in June \$200	Must register online using a credit card

## Optional Items

<b>Graduation Photo Announcements</b>	10 Graduation Announcements are provided for you. If you would like to purchase more, you may do so on photo day.
---------------------------------------	---

## Legal Qualifications for RN Licensure

Admission to the HCC LPN to Registered Nursing Completion Program **does not guarantee** graduation from the program, and graduation from the program **does not guarantee** eligibility to take the nursing licensure exam (NCLEX-RN).

Before graduation from the program you must submit a written application to the state board of nursing for licensure. The Kansas State Board of Nursing (KSBN) may deny a license to practice nursing as a registered nurse if the applicant has been guilty of a felony or guilty of a misdemeanor involving an illegal drug offense unless the applicant has shown sufficient rehabilitation to warrant the public trust, except that no license shall be granted to a person with a felony conviction of a crime against persons as specified in Article 34 of Chapter 21 of the Kansas Statutes Annotated and acts amendatory thereof or supplemental thereto. Also considered are patterns of practice and to other behaviors exhibiting an apparent incapacity to practice nursing as described in 65-1120 in the Kansas Nurse Practice Act.

Please review the information found at: <http://www.ksbn.org/npa/npa.pdf>. All criminal history must be revealed to and will be evaluated by KSBN before licensure is granted or denied. This information is pertinent to KSBN only. If you are planning to seek licensure in a different state, please check with the Board of Nursing in the state to which you plan to apply.

## Disclosure of Criminal Background/Substance Abuse

Clinical affiliates may require criminal background checks and drug/alcohol screens of all students to maintain patient safety. If selected for the nursing program, you must consent to a background check to disclose any felony or misdemeanor convictions. Upon admission you will receive detailed information about how to proceed with the background checks and drug screens. Students in the HCC Nursing program are also required to have routine, random drug screens. Students must report directly to HCC's Business Health provider when selected for a drug screen. Additional requirements or disclosures may become necessary during the program. Non-compliance with all mandates may result in termination from the program. Late or incomplete records may result in dismissal from clinical (with unexcused absence) or dismissal from the program if documents are not produced in full as required. Findings on the background check or drug screen may prohibit a student from participating in clinical rotations; and, would therefore prevent progression in or completion of the program.

## Health Policy

Students are required to obtain and maintain health insurance coverage for the duration of the program. Students should be aware that they may be in close contact with individuals having a wide variety of health problems in which the cause may not be known. It is the student's responsibility to follow program guidelines for precautions against contracting and transmitting diseases. The student is responsible for all healthcare costs (physical, immunizations, diagnostics, titers, etc.) associated with the program. **Progression in the nursing program will be contingent upon satisfactorily meeting the health requirements.** Health restrictions may prohibit a student from participating in clinical rotations which include the provision of total patient care; and, would therefore prevent progression in or completion of the program.

## **Instructions for International Students Pertaining to Nursing Programs**

Special considerations apply for applicants to the Practical Nursing and/or LPN to RN Completion Programs who were born and/or educated in countries other than the United States.

### **HCC INTERNATIONAL STUDENT APPLICANT**

For purposes of admission, international applicants are defined as all persons who are not citizens nor permanent residents of the United States. An international applicant must meet a number of specific requirements. General information about these requirements can be found at:

<https://highlandcc.edu/pages/international-students>

**Note:** All documentation must be submitted at least three months prior to the beginning of the semester for which application is being made.

### **Students interested in nursing must also be aware of the following:**

- If you do not have a Social Security number, you may not be licensed to work in some states.
- The Kansas State Board of Nursing will only consider coursework completed outside of the United States after it has been evaluated by the Commission on Graduates of Foreign Nursing Schools (CGFNS) [www.cgfns.org](http://www.cgfns.org)
- English Proficiency Requirements – One of the following must be met:
  - TOEFL score of at least 500 on paper based test or 173 on computer based test or at least 61 on Internet based test
  - Official IELTS score of 4.5
  - Official TOEIC score of 525
  - Official PTE score of 33 or higher
  - A minimum of 12 U.S. college credit hours with a grade D or higher (including a college level English course)

- Completion of a minimum of 15 weeks in an approved Intensive Language Center
- Submit high school transcripts reflecting completion of one academic year of study in the United States
- Applicants applying for federal and/or other types of financial aid will be required to submit non-U. S. transcripts for financial aid purposes
- Individuals presently in the United States who do not currently hold a lawful immigration status need to be aware that a background check is required.
  - Those who have not been granted Deferred Action for Childhood Arrivals (DACA) authorization may have difficulty providing the documentation needed to complete the background check.
  - Students who are DACA approved should not assume their DACA approval guarantees they will pass a background check.
  - If a clinical affiliate requires proof of eligibility for work authorization, those who are DACA approved may be asked to present their valid “Employment Authorization Document”, valid US state driver’s license, or valid passport.
  - Visit the USCIS website for additional DACA information  
<https://www.uscis.gov/>
