# EARLY CHILDHOOD

[HIGHLANDCC.EDU/EARLYCHILDHOOD](http://highlandcc.edu/earlychildhood)

**EARLY CHILDHOOD EDUCATION:** The path to leadership begins early in life and early childhood educators lay the foundation of future learning for young children. Through hands-on experience, internships, and classroom work, you will be prepared for a career working with young children.

HCC's Early Childhood certificate provides academic study and hands-on experience that encourage a reflective approach to early childhood responsibilities. This program provides a good foundation in developing appropriate curriculum, creating classroom environments that meet children's developmental needs, and working effectively with parents and families.

**Wondering what type of jobs/employment opportunities come with an Early Childhood Certificate?** Here are just a few different options below.

## JOB TITLES:

- Child Care Provider
- Child Care Assistant
- Au Pair/ Nanny
- Para Educator
- Child Care Center Assistant Director

## EMPLOYMENT:

- Child Care Center
- Schools
- Government Agencies
- In-Home Nanny/Daycare

 Students are still responsible for \$18 per credit hour textbook rental. Some courses require consumable items (workbook, access code, software, etc.). These charges are the responsibility of the student and applied to the student account per course when applicable.

\*The Kansas Board of Regents has approved over 100 courses for guaranteed transfer among all Kansas public post-secondary institutions. Additional courses may also be eligible for transfer. Please contact the Registrar's Office of your university or college for more information. Students are responsible for becoming acquainted with the program and degree requirements of the institution to which they expect to transfer.

System Wide Transfer courses transfer to any Kansas public institution offering an equivalent course.

The decision of lower division courses to count toward upper division credit hours is at the discretion of the receiving institution. Visit [kansasregents.org/transfer\\_articulation](https://kansasregents.org/transfer_articulation) for complete details.

## HIGHLAND IS YOUR POST-SECONDARY EDUCATION PARTNER!

Taking college classes while still working towards earning a high school diploma is a great opportunity for students to get a head start on their college experience. Highland Community College enables dual enrollment students to explore courses that may not generally be offered through their high school curriculum. Whether working towards an HCC degree or certificate, preparing to transfer to another college upon completion of high school, or simply getting insight into the college experience, dual enrollment exposes students and their families to valuable lessons that will support their remaining college career. Students can begin taking college courses after completing their freshman year of high school. Check out these course suggestions by career area or give us a call to discuss the best path that fits your needs!
